

## SPA TREATMENTS & PROGRAMS

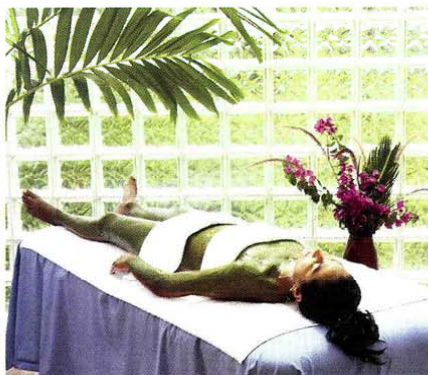

10 Years Younger

A 10 Years Younger treatment has been developed and is being offered at **The Spa and Laser Center** in Virginia Beach, VA. It combines skin care and collagen renewal therapy, and adds lost facial volume and combats extrinsic aging factors to help the skin repair and heal itself for a look that removes 10 years from the face. 757-965-7444

Feet are the focus of new treatments at **Solstice Spa & Suites** in Leavenworth, WA. The Signature Pedicure, Ancient Secrets Pedicure and Javanese Lulur Ritual Pedicure all help get toes in tip-top form, and the facility was also recently included in the 10th edition of the romantic travel guide *The Best Place to Kiss in the Northwest* (Sasquatch Books, 2008). 888-548-4772, info@solsticespa.net

Italian skin care company **Dermophysiologique** has announced a new treatment called *Maschera al Ferro*, or "iron mask," which uses iron microspheres to absorb dead skin cells in a concentrated mask and is removed with a magnet that attracts the iron particles, pulling out the skin impurities with them. info@dermophysiologique.it

The Comprehensive Women's and Men's Preventative packages, Wellness and Stress Release Escape and Total Health Package are new options available at **The Greenbriar Center for Healthy Living**, a combination of The Greenbriar Spa and The Greenbriar Clinic at the destination resort in White Sulphur Springs, W.V. The new offerings helps guests manage stress, lose weight, quit smoking and live more healthily. 866-534-4458

The CuisinArt Resort & Spa's **Venus Spa & Fitness** has started providing clients with treatments infused with nutrients from hydroponic plants grown at the resort's greenhouse. Located in the dry island climate of Anguilla in the Caribbean's British West Indies, the spa is including the plants' elements in treatments such as the Fresh Escape facial and more. 264-498-2000, spa@cuisinart.ai

The spa at **Ceiba Del Mar** in Riviera Maya, Mexico, has debuted its Meridian Stress Assessment treatment, which helps encourage total body wellness. The services includes a comprehensive evaluation of the client's energetic and health balance, measuring electrical conductivity at meridian points on the skin. 52-998-872-8060
